

Dear Colleagues:

We are pleased to announce that the Africa Academy of Management has become an affiliate of Academy of Management from August 2016. The announcement was made by the President Deborah Shapiro during the annual meeting held in Anaheim in August.

AFAM would like to thank everyone for the support over the last few years to bring Africa into the scholarly community of management academics. We are a young but growing association. Since our launch we have focused on the development of young academics in Africa, established the Africa Journal of Management (<http://www.tandfonline.com/action/showAxaArticles?journalCode=rajm20>), and hosted three biennial conferences. Our next conference will be held at Addis Ababa School of Commerce in Addis Ababa, Ethiopia from 3 -6 January 2018. If you have an interest in management and organization issues in Africa and are not already a member of AFAM, we encourage you to become a member today. Please visit our website for information on how to become a member: <http://www.africa-aom.org/>

Sincerely,  
Stella Nkomo, President of AFAM
